Findings

[ERROR] COSTUME_CHANGE_NO_REASON · scenes SC03, SC04, SC05 · accepted as intentional

John wears gray jacket in SC03 but blue jacket in SC05, and the story gives no reason

Reviewer note: Enough time passes that changing clothes is natural (a new day, a new place)

[ERROR] PROP HOLDER_MISMATCH · scenes SC04, SC05 · accepted as intentional

the brown folder: SC04 ends with Robert holding it, but SC05 starts with John holding it, and nothing explains the handover

Reviewer note: The handover happens off-screen between the scenes

[WARNING] PROP_NOT_SHOWN · scenes SC01, SC02 · open

Michael has the backpack at the end of SC01 and is in SC02, but the backpack is not mentioned there

[INFO] INJURY_ACTIVE · scenes SC03, SC05 · open

John gets 'cut on forearm' in SC03 and it is never healed, so it must stay visible in SC05
